INITIAL DECISION
ORDER OF DISMISSAL

This matter came on for hearing on July 18, 2013, as a "Telephone" hearing. The attorney representing Respondent announced that the previous assessment of Petitioner's potential eligibility for SOURCE benefits was conducted six months prior to the hearing. As a result, the assessment was out of date, and the Respondent wishes to have another assessment conducted to determine Petitioner's current mental and physical condition. Respondent verbally withdrew the adverse action to terminate Petitioner's SOURCE case.

As Respondent has rescinded the action that initiated this hearing, there is no longer a contested matter within OSAH's jurisdiction. O.C.G.A. 50-13-2(1); OSAH Rule 616-1-2-.02(2).

IT IS ORDERED that this matter is **DISMISSED**. If Petitioner is not satisfied with the results of the new assessment, then she may again request a Fair Hearing.

SO ORDERED, this 18th day of July 2013.

M. PATRICK WOODARD, Judge
